IN GENERAL: This application must be filed with the Tax Assessor within 185 days from the date of commitment of the tax to which objection is made.

A separate application must be filed for each separately assessed parcel of real estate.

Application must be filed in duplicate.

A taxpayer, to be entitled to request abatement or to appeal from the decision of the local assessor, must have filed a list of his taxable property with the assessors, if properly so notified, in accordance with MRSA, Title 36, Sec. 706.

If such a list has not been filed upon proper notice, such list must be filed with this application, together with a statement as to why the list could not be filed at the proper time.

The assessor will give written notice of decision to the taxpayer within 10 days after the assessor takes final action on the application. If such written notice is not given within 60 days from the date the application is filed, the application should be considered as having been denied, and the applicant may appeal as provided by Statute. The applicant may, in writing, consent to further delay.
