

We are trying to get people to sign up for the Town's email blasts. These emails are sent out when there is important news or information to share. Please go to our website and scroll to the bottom of the page and follow the prompts. **IMPORTANT** part: after you sign up you will receive a "confirmation" email in which you can choose how to receive the blast, via email or text. You must complete this part to be added to the blast list. We hope that you will take a few minutes to do this so we can keep you in the loop. Thank you
