

Alfred Parents,

The Parks and Recreation Committee organize and oversee the many programs the young children of Alfred enjoy throughout the year. It is a valuable and important part of our community.

Traditionally, and literally for decades, the parents whose children reach the age where they move on to junior high are replaced by the parents of children who are starting out in the programs. That is no longer happening and the entire program is in jeopardy of being lost.

It has been more than 5 years since anyone new has joined the Alfred Parks and Recreation Committee and that has to change. My children and the children of our committee and volunteers have outgrown the programs. It was always expected that younger parents would step up and take over and this has simply not happened. I and all our volunteers have turned in our resignations. If individuals step up to take over the program, we will remain on until July to help make the transition as smooth as possible.

In the event parents do not step up we will no longer be able to continue to run the numerous Parks and Recreation programs that so many children enjoy.

If you want this valuable program to continue please contact me through this Facebook page or email me at alimoe@roadrunner.com

Thanks,

Dean Currier

Chairman, Alfred Parks and Recreation Committee
