

Parsons Memorial Library will be starting temporary winter hours on Monday, December 14th. On Mondays and Wednesdays, we will now be opening at 11am, and closing at 6pm. Tuesday and Saturday hours will remain the same. This will remain in effect until further notice. At this time, we are still only offering curbside services. You can search for books using the online catalog (Parsons Memorial Library, no password) <https://opac.libraryworld.com/opac/home.php>. Press the "Request Hold" button on titles you want. Or, if you know of titles you'd like, just message us on Facebook, email alflib@roadrunner.com, or call 324-2001.
